

Dear Family Members and Friends,

This year marks the 59<sup>th</sup> year of fundraising to benefit our preschool and we need your help! Due to the pandemic, we will not be hosting an in-person event this year. We've come up with some creative ideas for our preschool community including a FUN-A-THON for students on June 18, 2021, a school-wide auction with the children's art, teacher "features", and a spirits/wine pull. The net proceeds from this year's fundraising drive will help support our preschool and we're asking for your support.

This year we are focusing on improving our infrastructure to include an additional security gate and better shade structures for our outdoor play areas – projects that will directly benefit students and their safety.

**Please consider making a donation to help support the preschool's 2021 fundraiser. For donations of \$100 or more, the preschool will send you a special photo book to thank you for your donation\*.**

The San Diego Cooperative Preschool opened in 1963 and is a nonprofit organization that provides high quality care while creating a nurturing and supportive community of children, parents, and skilled staff.

We thank you for your consideration of support and helping to shape our children's future!

Sincerely,
